SUB: LETTER OF APPRECIATION FOR MY FLAT AT 

KIND ATTENTION: MR. MANISH UPPAL

Hurray !

Congratulations to TEAM UPPAL for making such a beautiful building & delivering my flat on 2nd floor, so well in time. It truly is a lovely piece of structure and stands apart in the colony, and one sees people crossing by giving a second look at the building.

I make a special mention to congratulate Mr. Sampann Verma, Mr. Minocha, Mr. Dwivedi & Mr. Okesh Singh who have helped me in the process of the execution of the dealings & extending their maximum cooperation always.

I further extend my congratulations to the main team for designing the exteriors, Mr. Vikas Almadi, who has been instrumental in giving the beautiful façade.

Last, but not the least, a name that should have come first, I make a special thanks to your interior designer & architect Ms Pallavi Paul, who has helped to plan such a beautiful & practical floor, providing such a spacious apartment. Not only is the planning good, but the choice of marble selection for toilets & wooden flooring selection for bedrooms has been excellent.

Not to forget your personal secretary Ms Ekta, and staff at your reception, who have lent excellent support for keeping my appointments with the necessary persons.

No doubt, there are several flaws that need to be rectified, for which you have deputed Mr. Amiya Das, who is taking care of all the maintenance on a day to day basis.

Your ground staff at site viz. Mr. Sudama Dubey, Mr. Jagdish Prasad, Mr. Prahlad, Mr. Ashish George & Mr. Nagendra need to be also mentioned for their courtesy extended to me from time to time during my visits & also presently, during my stay now.

I again say, "Three Cheers for Team Uppal... Hiphip... Hurrah!"

Thanks & regards
